Division of Mined Land Reclamation

Addendum to Application for Payment - Material Storage

MATERIALS SUITABLY STORED							
Addendum to Application for Payment No.		Page		of		Contract Number:	
Project Name:							

Note: All materials must be verified by supplier's invoices and delivery receipts or duly certified statements by the Contractor. Material quantities shall not exceed the quantities specified by any Contract Item. Adequate storage location must be provided to enable the Division representative to locate and verify materials claimed. The Division does not assume the responsibility for any materials paid for by them until installed in the work and accepted by them.
