

Example - Waiver (300 feet from Dwelling)

I, _____ (owner of dwelling), hereby waive the three hundred (300) feet distance restriction contained in 4 VAC 25-130-761.11(e) of the **Virginia Coal Surface Mining Reclamation Regulations**, and consent to allow (Permit Applicant) to conduct surface coal mining operations no closer than _____ feet of my dwelling (Water Supply Inventory # _____).

I understand that such activities will consist of:

--

I also understand that by executing this waiver, I am consenting to these operations by the Permit Applicant listed above, and by any subsequent applicant to whom the application or approved permit may be assigned. By executing this waiver, I am not waiving any rights other than those specifically mentioned herein, nor does this waiver relieve the company conducting the operations of its responsibility or liability for damages resulting from, caused, or inflicted by its operations.

Stipulations or conditions of the waiver, if any, are hereby listed:
